Agenda

Objectives: (1) to know, (2) to test, and (3) to review

- Educational videos
- Group (?) work:
 - Check your referencing style: What type of citer are you?
 - Where is the borderline between poor academic practice and plagiarism?
 - The other day in the cafeteria - rumours about plagiarism (FAQs)
- Feedback

Educational videos

Why to use these videos in class?

- Focus on prevention
- Start positive
- Raising awareness
- Supporting students' development of skills
- Easy to understand
- Entertaining
- Students watch a lot of them

Example 1: Why we cite sources?

<https://www.youtube.com/watch?v=pG7M4xxrmbo>

group work (20 minutes)

tasks

- Please introduce the material in a few words to the audience.
- How do you assess the material?
- Do you have any ideas in which educational scenario you will use the material?
- Does it fit into your courses? Examples?
- Comments, feedback, critique?

<http://piratepad.net/ajmmRhAX1g>

examples

1. Check your referencing style: What type of citer are you?
2. Where is the borderline between poor academic practice and plagiarism?
